Product Benefits

- Robust, secure and durable design to withstand the rigors of a high volume wash environment
- Easy to use front wash mode control panel
- Hinged top lid and lockable secure cabinet front door
- Market leading high pressure CAT pump
- Cost effective purchase with capital purchase and rental options available
- Full Electrajet chemical supply options
- Environmentally friendly with no diesel required
- Cost saving reduction's compared to diesel machines
- Service & maintenance package

Purchase Options

- Capital purchase
- Rental purchase with service and chemical plans included

Product Features

- Total Frost Protection
- Feed Line Protection
- Night Time Security Mode
- Auto Stop
- Leak Detect
- Legionella Control System
- Over Heat Control System
- Sleep Mode
- Wake Mode
- Low Water Warning
- 12kW to 36kW heating element options
- Inbuilt water tank with type AB air gap

Optional Features

- Auto Stop & Start
- Compressed Air Blow Down
- 150ltr Chemical Tank
- Twin Pump
- Waxing Pump
- High Temperature Pump (80°C)

Cabinet Options

- Brushed Stainless Steel (316)
- Powder Coated Stainless Steel
- Lockable Hinged door
- Hinged Top Lid
